To the Cobblestone Building Owner:

This will introduce Gerda Peterich, Cobblestone Society member, photographer par excellence, and architectural historian.

Under a grant from the New York State Council on the Arts she is photographing cobblestone buildings. Eventually a book will be the result, incorporating many of her photographs.

I hope you will allow her to photograph your building, and help in any way you can. Any historical data about your building (i.e. date of construction, mason, original owner, etc.) that you can provide will be greatly appreciated.

Yours very truly,

Olaf William Shelgren Jr.
