

6 SCHOOL HOUSE ON COUNTY ROAD 226

Bessie Crawford of Lyons owns this former school house on County Road 226. Wooden additions have been added over the past winter (1954--55). It is being occupied by renters.

The field stones of all colors are of various sizes on the various sides of the building. The horizontal joint is a "V". The mortar is brown, hard, and pebbly. The quoins are of sandstone; the lintels are wooden.
