

GROSS RESIDENCE

877 Telephone Road, West Henrietta, N. Y.

Mr. and Mrs. William Gross have recently acquired this property. Mr. Gross, a carpenter, has undertaken extensive changes to enlarge first floor rooms into spacious living areas. Exposed hand-hewn barn beams were added to the new living room across the front of the house. A walk around the house reveals the new walk-out dining area where large windows enjoy the view to west and south. A look inside reveal the dining area's remarkable new beam and truss work and remodeled kitchen. Alterations in the center of the house are still in progress.
