

2, - BRUNDAGE HOUSE

Dewey Brundage owns this house on Route 104. Brundage's grandfather Solomon Upson had it built in 1847. It was finished in 1848.

The small lake stones in front are in alternate bands of red and white stones. The stones on the sides and back are varicolored field stones. The porch is plastered. The quoins are red sandstone and the lintels are tooled limestone.
