

2. — PESAREK HOUSE ON THE MIDDLE SODUS ROAD

Edward Pesarek owns this house on the Middle Sodus Road in the town of Lyons. The deed for the lot dates back to 1825. Herbst, DeMora, and Delaney were former owners.

STONES: The red lake stones of different shapes measure $1\frac{1}{2}$ - $2\frac{1}{2}$ x $1\frac{1}{2}$ - $2\frac{1}{2}$ inches. Courses are 3 inches high.

JOINTS: The horizontal V is 1 - $1\frac{1}{4}$ inches high. The vertical joints are strong V's.

MORTAR: The brown mortar is very hard.

QUOINS: The quoins are regular tooled limestone.

LINTELS: The lintels are regular, tooled limestone.

SIDES: Larger field stones of all colors are at the sides.
