

3. — MUNN DISTRICT SCHOOL HOUSE
ON THE CORNER OF MIDDLE SODUS AND STEARNS ROADS

The Munn District school is located on the corner of the Middle Sodus and Stearns Roads in the town of Lyons.

STONES: In the front there are lakestones of all colors. They measure 2-3 x 2 inches. A course is $2\frac{1}{2}$ -3 inches.

JOINTS: The horizontal V is from $\frac{1}{2}$ to 1 inch high. The vertical joints are V's.

MORTAR: The brown mortar is fine with many lime lumps.

QUOINS: The quoins are of irregular and untooled sandstone.

LINTELS: The lintels are wooden.

BACK: Larger stones are at the back.
