"Glyndon Garlock VanDeusen comes of old pioneer stock. He is the son of Mr and Mrs Frank VanDeusen and Glyndon was born on the old VanDeusen homestead, 2 1/2 miles from Clifton Springs village, where his mother still lives. His great-grandfather, Adam VanDeusen, bought land here in the early days and his grandfather and grand-uncle, William and Ambrose VanDeusen, helped to carry it on. The farm, for many years one of the outstanding places in the Clifton Springs vicinity, is still in the possession of the family and is carried on by Gyndon's younger brother, Frank..."
