

Bart Gaffney Cobblestone House No. 9
741 Rush Henrietta T. L. Rd.

Dear Mr. Frauch,

I am sorry I was not at home when you called for information about our stone house.

The deed was first recorded April 16, 1846 to Abner Bushman by guardian of Bell children.

It was purchased by Michael Gaffney April 1, 1869.

We purchased it May 31, 1935. So you see it has been in the family over 100 years, my husband who died 6 years ago, being a son of Michael Gaffney. The farm is now being worked by our son, John Gaffney.

I would be glad to have the tour walk around the house Saturday.

Sincerely, Mrs. Bart Gaffney
