

23.-MRS. JACOB TERNOOIS HOUSE

Located on a private road a few yards from and parallel to the Halcus Road just off the Lake Road, this house is owned by Mrs. Jacob Ternoois.

STONES: The lake polished stones are mostly red.

JOINTS: The horizontal joint is a V. The courses are 3 inches.

MORTAR: The mortar is much weathered, light in color and fine in texture.

QUOINS: The sandstone quoins are even but untooled.

LINTELS: The lintels are vertically laid sandstones.

BACK: Large field and some cut stones are to be found at the back.

on private drive just south of Lake Rd.
