The Cobblestone Society is very happy to announce that the Rochester Area Community Foundation has once again come to our aid in helping to fund important repairs to our historic buildings. We have just received word that we will be receiving \$17,810 towards our continuing project on the restoration of Farmers Hall. This grant brings the total contribution from RACF over the last three years to \$64,000. What remarkable support! These funds will be used to replace damaged wooden trim on the building, matching the profiles of the original wood. It will also allow us to add half round gutters to the building to move rainwater away from the foundation piers. Maintaining our buildings is an ongoing, and often expensive necessity to keep them open and serving the public. We truly appreciate the financial support that RACF continues to show us.

*By Erin Anheier, VP/Development*

It continues to be a busy year for the B&G Committee. In addition to numerous projects that the committee members have accomplished themselves, they oversee the work of contractors who perform more complex projects to maintain our historic buildings.

2019 has seen the completion of masonry repairs to our 1849 Cobblestone Schoolhouse, part of the National Historic Landmark District. The schoolhouse also received a new roof and had the wooden trim work painted. Windows have also been restored. Yet to be completed is the repair to the roof around the dome of the bell tower and some new landscaping behind the building, both of which we hope to see prior to the snow flying.

Farmers Hall had new collar ties installed in the attic and joist hangers installed beneath the building. In September, you will see a contractor install new supporting piers beneath the building. These projects address structural issues identified by the study done by Bero Architecture in 2018. The project will continue with restoring trim and installing gutters as soon as contractors are available.

We hope you have noticed our new signs! We are happy that we now have consistent signage which includes our new logo. There is a new custom lantern atop the post in front of the church. The Brick House, the location of the Society's office, is sporting a new custom made front door. The shutters on the Brick House windows are also being refreshed. And, we hope that the Book Store building, which once served as a voting place in Hamlin, will wear a new roof this year.

Most of this work would not have been possible without the dedication of our volunteers and the financial support we were able to obtain in grants from the Rochester Area Community Foundation and the Elisabeth Dye Curtis Fund. We thank them all for the support!

## Civil War Ghost Walk—October 19 from 12-5:30pm (Last Tour Departs at 4pm)

Make plans to join us for the Civil War Ghost Walk on October 19th, as we step back in time to October 19, 1862 and look at Orleans County at the time of the Civil War.

The Ghost Walk is a walking tour that plays out in the buildings on the Museum's campus, including a cobblestone schoolhouse, the oldest cobblestone church in North America, and a cobblestone parsonage; all National Historic Landmarks. Along the way, Ghost Walk guests will "meet" apparitions of such notables as newspaper editor Horace Greeley, who once owned the Museum's cobblestone parsonage and penned "The Prayer of Twenty Millions," in which he scolded Abraham Lincoln for the way he was conducting the War Between the States. Mr. Lincoln will be on hand to offer his equal-time rebuttal.

Our gentle spirits will enlighten you about the Civil War and its local effects as you travel throughout the museum campus in 90-minute guided walking tours.

This year we are pleased to partner with Dubby's Wood Fired Pizza to offer open-hearth pizza cooked fresh on our site.

## Looking Back in Time

This cobblestone house above was built by Jeremiah Gates Palmer in 1831 at what is now the intersection of Sheldon and Lyons Roads in the town of Mendon, Monroe county.

The photo above was taken about 1883. (Photo credit: Richard Palmer) From left are Palmer's daughter, Fannie; sons, Charles and Frank, his wife, Nellie, dog, Bess, son George, and Jeremiah himself holding his horses, Ned and Doll, who lived to be 32 and 33 years old respectively. It was demolished in the 1940s. On the right is all that remained of the house in the 1960s from files of the Cobblestone Society. (Photo credit: Gerda Peterich)

## Cobblestone Kids Day—August 13, 2019

(Left) Volunteer Kim Charron welcomes visitors to the 1834 Cobblestone Universalist Church as the Victorian Lady, sharing its history. (Right) Trustee Brenda Radzinski leads the group during a handkerchief doll-making activity, which were toys commonly brought to church services during the Civil War era. If dropped, this soft doll would create little or no noise.

I'm very happy to announce that a NEW Restaurant Rewards Card will be awarded to Cobblestone Museum volunteers who serve a minimum of 50 hours during the 2019

season. Three local restaurants have agreed to partner with the Cobblestone Museum to allow an additional perk for our most dedicated volunteers.

Card holders may choose to dine at these establishments once or multiple times, but the rewards card must be presented to enjoy the benefit. Through Dec. 30, volunteers can dine at Ho-Jack's Bar & Grill or Village House Restaurant to receive a 10% discount on their bill. Some exclusions apply. With the purchase of an entrée at Tillman's Village Inn, a volunteer can enjoy a FREE dessert.

There are currently four volunteers who have earned the Restaurant Rewards Card, and I am confident that many more will receive this honor before the end of the calendar year. I hope that next season this program will continue with the cooperation of local restaurants or businesses.

All volunteers are eligible to receive 10% savings on Gift Shop purchases at the Museum and free bottled water while fulfilling assignments. If you or someone you know would like to pursue volunteer opportunities at the Cobblestone Museum, please contact me at [volunteers@cobblestonemuseum.org](mailto:volunteers@cobblestonemuseum.org) or 585-589-9013.

Kudos to Richard Palmer of Syracuse who has continued his quest to photo-document all-things-cobblestone and has logged thousands of miles on his car while looking for cob-

blestone structures all across the state. In addition, he is a collector of old images, too, as demonstrated here by two he recently submitted to our Cobblestone Resource Center.

### ***Volunteers and More Needed for Civil War Ghost Walk***

*By Assistant Director, Sue Bonafini*

Our Civil War Ghost Walk on Saturday, October 19 requires MANY volunteer actors (speaking and non-speaking roles) and a large team of individuals to assist in many different areas for our special event. Actors should plan to be available between 11 am until possibly 6 pm, based on tours provided that day. Some volunteers will come and go to fulfill their roles during that time frame.

Four or more tour guides will escort tour groups along the event route, providing narration along the way. This dialog will be read from a script and does not require any memorization. Guides will receive training to understand expectations.

Scripts are still being developed for our 90-minute event, but some lead roles are "ghosts" of Abraham Lincoln and Horace Greeley, while others are fictional characters based on Orleans County history, such as two local soldiers, their brides-to-be, and a wedding officiant. The Civil War Ghost Walk will conclude with a double wedding service at the church. A good number of roles will be cast with both male and female actors of all ages. Teens or young adults are preferred to fill the roles of the wedding couples. Actors who speak will ideally memorize their brief lines. Action will take place inside buildings or at locations throughout the campus. Student actors, preferably ages eight - 12, will portray characters at our one-room schoolhouse or historic church. We need MANY "extras" in the church for the wedding or moving about the grounds.

Some behind-the-scenes roles include parking and Gift Shop attendants, security monitors, safety/crossing guards, props, costumes and make-up crews. Interested in a volunteer role? Contact me to discuss roles at (585) 589-9013 or [volunteers@cobblestonemuseum.org](mailto:volunteers@cobblestonemuseum.org).

### **COSTUMES WANTED!**

Do you have an article of clothing in your closet that might be a perfect accessory for a Civil War-era "ghost" to wear? We'll explore some local resources to find costumes for our players, but we welcome loans for our performers to wear. Suitable donations also will be accepted and perhaps stored for future Ghost Walk or Living History events.

Sewing volunteers need your unwanted buttons, especially those that are shiny gold, wooden, or have an old-fashioned appearance. Do you have any fabric to donate? Plain cotton, linen-type, wool blends, velvet, silk or seer-sucker are appropriate to the Victorian era, as long it's not too modern or bright. Solid colors are preferred. Raw cotton, linen or hemp fabric is ideal. Medium weight white cotton for aprons and mob caps, petticoats and slips would be useful.

Contact Sue Bonafini at [volunteers@cobblestonemuseum.org](mailto:volunteers@cobblestonemuseum.org) or 585-589-9013.
