## 1933 Baseball team

This year the Albion School District marks its 125th anniversary in education.

As we start off the 2001-02 school year, I thought it would be of interest to take a look back at the Albion High School Baseball Team of 1933.

This picture was taken in front of what was then the Albion High School on East Academy Street. This was just before the new high school on East Avenue was ready for occupancy.

For those of us who have lived in this community all our

lives the names and faces of the team members are very familiar.

Seated on the ground in front is the bat boy, Richard Foster. The others, from left to right in the first row, are: (2) Pat Monacelli, (3) Anthony Glenn Peter Ross ("Coke"), (4) Philbrook Vick, (5) Nello DiGuilio, (6) Amaday Colonna ("Cat"), (7) Edmond Biordi, (8) Louis Hollenbeck, (9) Clyde Furness, and (10) Robert Bloom.

The second row includes, from left to right: (11) Peter DeLuca, (12) Craig Campbell,

(13) Sam Juliana, (14) Sam Martilotta, (15) Louis Massaro ("Pooch"), (16) John Russeli, (17) Jack Newman, (18) Ralph Tiffany, (19) Robert Wood, and (20) Coach Michael Spierdowis.

The third row is as follows, from left to right: (21) Angelo Bell, the manager, (22) Mike Christopher, (23) Ted DiLaura ("Bear"), (24) Steve Adams, (25) Bruce Farnsworth, (26) Dominic DiLodovico, (27) Frank Morrow ("Pete"), (28) George Dragon, (29) Joe Christopher, and (30) Henry Dragon.
