Medina's baseball team in 1910

By Bill Lattin, Orleans County Historian

This photo circa 1910 shows the Medina baseball team. It certainly represents a multi-racial group working together in a team effort more than 100 years ago.

Some of the players' names have been written on the photo, but in no order. Those identified include: C. Brady; F. Charles, SS; Myron Post, Mgr.; Bob Johnson, C-Field; Pete Slatterly, Catcher; Pitcher H.D.; L. Johnson, R-Field; and Ed Collins, 2nd Base.
